

Specially For You

SC District Bulletin

January 2012

Word from The Nephew: Hello Optimists, **before I start, please share this Specially For You SC District Bulletin with all your friends, family and fellow optimists.**

\$ 25,000.00 Idea. True story that many of you already heard. Owner of a large company wanted to improve productivity. A man came into his office and told him about a way of increasing productivity. He told the owner to take a pen and a paper and write down five most important things he will have to do tomorrow. After the owner wrote the five most important things he will have to do tomorrow down, the man told him, "when you wake up tomorrow start with the number one on your list and work on it until completed. After that do to number two and do it until complete that item. Try to complete every item on your list, before starting a new list" (do not have to do everything on the list in order as long as you complete each item). The owner asked the man how much he wants for the idea and the man told him, "try this for some time and send me a check for whatever you think is worth". The owner sent him a check for \$ 25,000.00 after six weeks.

Let our lists start with bringing in a new member to next meeting.

Happy
New
Calendar
Year
2012!
I wish
Everyone
Only
The best
For themselves
And for their
Families

2nd Quarter Conference is in Myrtle Beach at Ocean Reef on February 10-12, 2012. Please come and attend the conference of the SC Optimist. District We will share ideas and meet friends.

All for the KIDS

Membership!!!?!!

Will membership increase in future? Of course the membership will increase in the future. We have to keep our minds focused on the great achievements people can do and learn when they discover Optimist International. Like most people will say, "the bad economy". I say it is a big BS. I am an Optimist and the excuse of bad economy is BS, because nothing can stop me to be enthusiastic, excited, full of energy, have a positive attitude and, of course be an optimistic person. Optimist International has extraordinary value in my life. No matter what life brings you, no matter what situation are you in, no matter where you are, we are all Optimists and we will always help the kids.

This is the main reason why we have to focus on all that's positive in life. This will give us a positive attitude, positive actions and positive results.

Now, more than ever, we have the opportunity to learn and share ideas, create new meaningful relationships and have positive influence on young people.

Read the Optimist Creed, I know it will put a smile on your face.

Club Bulletin Contest

In today's high tech world, with computer in your hand and internet all around us, we have many and fast ways of communication. The district has 28 clubs. Some small, some larger, some active and some very active. There are 8 clubs in the District with a website, about 5 clubs has a newsletter and few clubs have a face book account. Many members have an email account and few do not have. What do you think we can do with the communication?

The Contest Committee will view all the information and will announce the winners at the District Meeting in February 2012 which is held in Myrtle Beach during the weekend of February 10-12, 2012. See you all there.

Future

Preparation and planning are huge part of success.

Visit www.optimist.org or www.optimistsc.org to learn about history, membership, meetings, awards, friends and most importantly how we can all help the kids.

Please, let other members read the *Specially For You* SC District Bulletin. We will be successful as long as we do it together. Please share ideas, suggestions and recommendations so we can help more kids. A mastermind group is a group of people that put their brains together. We all know that NONE OF US ARE SMART AS ALL OF US.
